We are pleased to present this exceptional rural estate of approximately 20,000 m², located in a prime countryside setting, very close to the Lagunas de la Mata Natural Park and Torrevieja. The property features four completed buildings that were previously used as a nightclub and can now be adapted for various commercial or recreational activities: a boutique, offices, and a charming outdoor space equipped with a pergola and a bar counter. At the heart of the estate is a cozy villa offering four spacious bedrooms (including one suite) and two full bathrooms equipped with built-in closets. Its bright dining room flows into a modern kitchen that opens onto the living...(Ask for More Details!)
